Nada for El Nino at SWR. Perfect weather. Hope you were there. Special thanks go to Arline Bartick for sharing many of her fantastic photographs of the SWR events and people. I am not sure how many pictures people want to look at, so I limited the first release and I am asking that readers send a request for the much larger collection of SWR pictures if they would like more. Thanks the editor

Feb 14th 2016 8:00 am
Webster-West Field (NGPR)
AMA membership required for Flyers
Visitors Welcome

Prez Speaks

Once again, the SWR contest was a big success. We were blessed with excellent weather. Steve Riley told me recently he and Al Lidberg had done research years ago and the best weather at our field occurred during the middle of January. Elmer Nelson compared the SWR with other national contests throughout the year in terms of participation and found we were among the most well-attended contests. Al Lidberg and the SWR committee perform a great service to the hobby by having

this contest when weather in other areas of the country makes outdoor free flight difficult if not impossible. Make sure you read the CDs' reports.

Let's remember our spring schedule. We have the President's Cup on Sunday, February 14th and the St Patty's Bash on Saturday March 12th. Also remember our regional indoor contest at the Round Valley Dome in Eagar, AZ on April 29th thru May 2nd. Friday will be a practice day, Saturday and Sunday will be the contest. We will assist the STEM students build and fly Mountain Lions on Monday. When I was at the Indoor Nationals in Colorado Springs, I watched the kids there constructing and flying Mountain Lions. They are easier to build and fly much better than the Delta Darts. The kids really had a great time!

There is something for every modeler at an indoor contest in the Dome. It is fun watching some of the high performance indoor models circling high up in the Dome for half an hour or more. But you can fly HLG, CLG, small rubber models, NoCals, ROGs Etc. There will more information on this contest soon.

Please make every effort to attend our spring contests. Come out and support your club!

Tom

Annual Business Meeting Minutes

The meeting was held in Room 7 of the Granite Reef Senior Center. This was a larger room, however no models were flown there.

Meeting was called to order by Prez Tom at 7:06PM. 8 members + guest Greg Tutmark

Elmer gave the Treasurers Report and suggested the dues remain at \$20, noting there would have been a slight decrease in the balance had it not been for 3 Life memberships in 2015. Elmer also suggested the contest entry fee also remain the same.

Surprisingly there were no challenges to the incumbents. Results:

Prez: Tom

VP: Peter

Treas: Elmer

Sec: Hermann

Newsletter: Bruce

Program: Hermann

Peter indicated the SWR would be flown to the new FAI rules which reduced the number of rounds to 5 in the large events with the 1st and 5th to be 4min. Also the flyoff maxes would be increased. There was also discussion of the field setup between AMA, FAI & RC.

Tom mentioned an article by Don Deloach about recruiting new members.

Hermann thought that in the age of drones and with fields being a long way from Light Rail stops, getting a Millennial to embrace FF is a long shot. He also noted that most of the newbies in FF were in indoor, and more recently through Science Olympiad. Unfortunately it could not be found in local schools, and the events and rules that had been all over the net are now a closely guarded secret.

Al then made a neat presentation of dihedral fixtures (or jigs).

Please review the minutes as they may have to be pretty for this, the annual business meeting.

As Program person I am looking for ideas to draw in more old members, after all it's embarrassing to have great presentations from world class FFers as we had recently from Peter, Matt & Al and only have a handful show up. Perhaps a better question is "What would bring you to a meeting?"

With virtually all retired, perhaps a morning, luncheon or early aft would eliminate night driving and rush hour. Location, Health, Transportation, even program subjects could be factors, but it seems like we could improve with a questionnaire in the next newsletter with possible follow up phone calls. Any other ideas?

Thanks,

Hermann

Contest Report

2016 FAI Southwest Regional Model Airplane Championships

We had a great 66th SWR on Jan.16 and 17 which was flown from the Webster West Field at Eloy. Saturday the temperature started out just above freezing, but as the sun came up it warmed to 60° with blue skies. In the morning the wind was out of the SE at 5mph. At around 11 am the wind slowed considerably and the direction was variable. In the afternoon the wind came out of NW at up to 5mph. After sunset on Saturday we were treated to an amazing red and yellow afterglow in the western sky. On Sunday it was warmer at the start of the first round with 40° with the wind coming from the SE at 6mph. It calmed before noon and warmed up to 65° in the shade. In the afternoon the wind again was out of the NW at up to 5mph.

We had a total of 44 sportsmen flying in the 8 FAI classes. The contestants were from AZ, CA, CO, MI, NV, OH, OR, TX and UT. We had Mike Woodhouse here from Great Britain, Siegfried Limberger from Germany and Peter Allnutt flying for Canada. Enes and Jasminka Pecenkovic were flying for their homeland Bosnia-Herzegovina. We had 4 ladies flying FAI events, Jasminka Pecenkovic (F1A), Julie Faust (F1Q, F1S), GERALYN Jones (F1G) and Tiffaney O'Dell (F1G) – and also 2 FAI Juniors, Jace Pivonka (F1B,F1G), and Jimmy Farmer (F1A).

On Saturday F1Q was won by Allan Mecham with Jack Murphy coming in 2nd and Julie Parker in 3rd. The F1A field had 16 entries with 7 flyers clean after 5 rounds. The F1A fly-off was won by Shlomi Rosenzweig who made the 6 min, 8 min and 10 min (!) max while Joseph Farmer missed the 10 min max and came in 2nd. Brian Van Nest was 3rd. In F1B five contestants had maxed all 5 rounds. Three F1B sportsmen did 3 flyoff flights where Bill Booth came in first while Walt Ghio was a close 2nd. FAI Junior Jace Pivonka came in 3rd overall in F1B after his 3 fly-off rounds going for the 10 min max in the last one. Faust Parker maxed out all five F1C rounds – he was the only sportsman flying F1C/P.

On Sunday we flew F1G, F1H, F1J and the new small electric FAI event, F1S. Faust Parker won the F1J Bear followed by Glenn Schneider in 2nd place and Don Bartick in 3rd. F1H required a 4-man, 4 round fly-off which was cleanly won by Blake Jensen with Mike McKeever in 2nd and Brian Van Nest in 3rd place. F1G or Coupe d'Hiver had 5 flyers clean after 5 rounds. The F1G Bear was won by Tiffaney O'Dell with Bill Booth in 2nd place and Mike Richardson in 3rd after the 2nd fly-off. F1S had 2 flyers clean after 5 rounds. Lee Hines won that fly-off and Ralph Ray was 2nd. Jack Murphy was 3rd in F1S.

A big thank you to all participants and to Elmer Nelson, Hermann Andresen, Tom Gaylor and my wife Brigitte who all made this FAI SWR again a great contest to be remembered.

Details will be published soon.

The Isaacson winter classic

February 06 - 8, 2016 at Lost Hills, California

Join us for one of the premier West Coast Free Flight Contests! We are again hosting the **Kiwi New Zealand FAI World Cup**. All FAI classes are **America's Cup**. **AMA** and **NFFS** classes are **National Cup**. This is a **Cat. II** contest.

Saturday FAI - New Schedule!

Kiwi World Cup!

F1A, B, C, P & Q

Round Schedule: Saturday 2/06

1	8:00am-9:15am
2	9:15am-10:30am
3	10:30am-11:45am
4	11:45am-13:00am
5	13:00am-14:00am

Round One Maxes:

F1A	240 seconds
F1B, C&P	240 seconds
F1Q	240 seconds

Round 2 thru 4 Maxes:

F1A	180 seconds
F1B, C&P	180 seconds
F1Q	180 seconds

Round 5 Maxes (weather permitting):

F1A	240 seconds
F1B, C&P	240 seconds
F1Q	240 seconds

Fly-Off Schedule:

Round six, 6 minute max.

F1A3:30pm-3:40pm
F1B 3:45pm-3:55pm
F1C/P/Q 4:00pm-4:10pm

Additional rounds to be announced

Frank Zaic Awards*for limited function F1X models

Grand Master Award, best performance in F1AB or C by a sportsman over 75
Roger Morrell, FAI Event Director

Sunday FAI

F1G, H, J* & S

*F1J - contingent on pre-entries (4- min)

Round one, 8:00 am! Champagne Flyoff!

Time to the ground. Round Schedule:

Rounds 2-5, two minute max.

1	8:00am-8:45am
2	9:00am-9:45am
3	9:45am-10:30am
4	10:30am-11:15am
5	11:15am-12:00pm

Fly-Offs will begin at 12:15 noon and finish by 3:00. At 3:00, any remaining ties will be broken by using Champagne Flight Times.

Monday! "Kiwi" World Cup - Slope Soaring F1E

10:00am - 3:00 pm. Five rounds, 60 minutes each. Peter Brocks, Event Director

"TEAM SATELLITE"

Ken & Mary Kear

Email: kearskustomhobby@yahoo.com

Phone: (H) 480-854-3163 MST

As you probably know we are manufacturing the Satellite free flight model in all sizes.

We are also in the process of stocking balsa, aircraft plywood, some specialty hard woods and exclusively Satellite City CA glue products.

We consider ourselves a specialty mail-order shop.

Note: if you would like to receive a copy of the SWR contest report with many many more pictures, please send the editor an email requesting the photo report.
